

Part 606 – Exhibits

Subpart D – Watershed Project Plan Modifications

606.53 Letter Submitting Supplemental Watershed Plan to CPTAD— Example

SUBJECT: PDM – PL-534, Supplemental Watershed Plan and Agreement No. II
Any Creek Watershed,
Your County, Your State

DATE: February 7, 2007

TO: Name, Director
Conservation Planning and Technical Assistance Division
USDA – NRCS, Washington, DC

FILE CODE: 390-11

Enclosed are one manually signed copy and two conformed copies of Supplemental Watershed Plan and Agreement No. II for the Any Creek Watershed project, Your County, Your State. The effective date of Supplemental Watershed Plan and Agreement No. II is February 2, 2007. Supplemental Watershed Plan and Agreement No. II deleted the only remaining planned works of improvement, (Floodwater Retarding Structure No. 2A).

Sponsoring local organizations, NRCS field offices, and other interested parties have been advised of the approval of the supplemental plan and have been furnished with such copies of the material as are necessary for their participation in the modified project.

For further information contact Jane Doe, ASTC (Water Resources) 123-456-7890.
