

Part 606 – Exhibits

Subpart E – Project Installation

606.63 Transmittal Letter to CPTAD for Project Completion Report— Example

SUBJECT: PDM – PL-534, Completion Report	DATE: February 7, 2007
Any Creek Watershed, Your County, Your State	
TO: Name, Director	FILE CODE: 390-11
Conservation Planning and Technical Assistance Division USDA – NRCS, Washington, DC	
<p>Installation of measures in the Any Creek Watershed has been completed as planned and supplemented. No additional funds are to be allocated for this watershed.</p> <p>This project was approved for operation on April 19, 1951. Twelve (12) floodwater retarding structures, five grade stabilization structures and the land treatment practices have been installed. The remaining planned measure has been deleted from the plan by supplement at the request of the sponsors.</p> <p>The total installation cost of the project was \$10,207,200 of which \$2,809,100 were local funds and \$7,398,100 were Federal funds.</p> <p>Effective February 2, 2007, all structural and nonstructural measures involving Public Law 78-534 assistance are installed in keeping with the Any Creek Watershed Plan, as amended or supplemented. All land treatment provided for in the plan has been accomplished. The project sponsors have been notified that the project is completed.</p>
