Dear:

As you requested on July 13, 2010, I am furnishing you this office's acceptance of your construction and documentation of conservation practices installed by farmers and ranchers in this county. Our acceptance is based on a review of the documentation you submitted and our field review of your work. The practices are:

Ponds - Construction only
Terraces - Construction and checkout documentation
Grassed Waterways - Construction and checkout documentation
Diversions - Construction, layout, and checkout documentation
Land leveling - Construction, design, layout, and checkout documentation

We commend you and greatly appreciate your efforts and cooperation in promoting and installing high-quality conservation practices in this county.

Thank you for your support in protecting our soil and water resources.

Sincerely,

District Conservationist
