## **Stewardship Lands Monitoring Schedule** 5 Year Cycle<sup>1</sup> **Post Restoration Post Restoration** Year of Acquisition Completion or **Completion or** Completion or Restoration in **Restoration In** Restoration **Program Completion or Completion or** Completion or **Completion or** Completion or (Easement Closed) **Progress Progress** Complete **Restoration Not Restoration Not Restoration Not** FY9+ **Restoration Not Restoration Not Restoration Not Restoration Not Restoration Not** Required FY1 Required FY2 Required FY3 Required FY4 Required FY8 Required FY5 Required FY6 **Required FY7 Monitoring Not** ACEP-WRE/ Required, Final WRP/EWRP Certificate of Onsite Onsite Onsite Onsite Offsite Offsite Offsite Onsite Repeat 5 Year Cycle Onsite Onsite Offsite<sup>2</sup> EWPP-FPE/ **Inspection and** GRP/HFRP Possession

<sup>1</sup>The Monitoring Schedule must be adjusted for CUAs, Highly Managed Easements, Violations, Ownership Changes, Management Plan Updates, and Repairs.

<sup>2</sup>Offsite monitoring is the minumum requirement, onsite monitoring can occur annually.

<b>Program</b>	Year of Acquisition						
	(Easement Closed)	FY 1	FY 2	FY 3	FY 4	FY 5	FY 6 +
FRPP <sup>3</sup>	Monitoring Not Required, Baseline Report	Entity Monitoring	Entity Monitoring	Entity Monitoring	Entity Monitoring	NRCS with Entity Onsite Review	Repeat 5 Year Cycle

<sup>3</sup>All FRPP easements enrolled in fiscal years 2006-2008 and any easements with United States as grantee.

Non-Stewardship Lands Monitoring Schedule										
<u>Program</u>	Year of Acquisition									
	(Easement Closed)	FY 1	FY 2	FY 3	FY 4	FY 5	FY 6 +			
ACEP-ALE and FRPP <sup>4</sup>	Monitoring Not Required, Baseline Report	Entity Monitoring	Entity Monitoring	Entity Monitoring	Entity Monitoring	Entity Monitoring	Repeat 5 Year Cycle			
GRP⁵	Monitoring Not Required, Baseline Report	Entity Monitoring	Entity Monitoring	Entity Monitoring	Entity Monitoring	NRCS with Entity Onsite Review	Repeat 5 Year Cycle			

<sup>4</sup>If NRCS must exercise the third-party right of enforcement, the National Program Manager must be contacted for additional guidance, the non-stewardship lands monitoring schedule cannot be used in these situations.
<sup>5</sup>All GRP easements held by the cooperating entities. This schedule can be followed for any FRPP deeds that require NRCS onsite monitoring.
