

## 530.143F Diagram for Deceased or Incapacitated Participants

**\*When is OGC concurrence needed?**  
 NRCS should consult OGC about who can act on behalf of the participant when the agency cannot clearly identify who may act on behalf of the original participant using a will, court-appointed representative, or 7 CFR Section 707.3, "Death," to document the acceptable order of precedence.

**Note:** Refer to Part 530.143L, "Table for Deceased or Incapacitated Participants," for when an estate or authorized representative completed a practice that was started by the deceased participant in the same fiscal year in which the participant died or became incapacitated.
